**Motion carried.**

**COMMENTS FROM THE PUBLIC**

There were no comments from the public as there were no guests in attendance.

**NEW BUSINESS**

**Pertinent Issues**

Sheila reported that she had received a phone call and also an inquiry from the website regarding the opening on the Parks and Recreation Board. She tried to contact these two people and left messages for both. She explained there had been an article in the newsletter to which these people had responded.

She mentioned the safety committee would be going out to do a park inspection on Friday.

Sheila said they have an Eagle Scout who will be refurbishing the memorial plaques around the lake. They will be placing some signs informing the residents that the signs were not stolen or removed but they would be rehabbing the signs.

**OLD BUSINESS****Pertinent Issues****Park Progress**

Sheila explained that Dave is trying to meet with Met-Ed to see where we are on the list for the electricity. They were working to complete the sewer part of the project. She said she believes the topography has been taken care of and that we are moving along slowly. She reported she scanned all of the work logs, the invoices, the cancelled checks, and all the dates of the work and emailed it to the DCNR representative who replied that she had not received it and asked to have it mailed to her in hard copy form. Sheila reported they have only \$30,000 to \$40,000 at this point in in-kind donations and they have started spending the DCNR money. She explained they are still having some issues with one of the neighbors.

Question was asked if the road to the park was usable to which Sheila replied it was not at this point.

Sheila showed the Board a picture of the bike rack which was installed at Lions Lake near where the ice cream shop had been. Sheila reported she had a call from a party who was interested in possibly renting the building where the ice cream place had been. She said she had tried to return the call with no success.

With there being no more business brought before the Parks and Recreation Board the meeting was adjourned at 7:30 P.M.

Respectfully submitted,
